### **About 4REAL**

4REAL is a celebration of real-life heroes who have decided to make the world a better place. From Rio's City of God to the heart of the Amazon; from the peaks of the Peruvian Andes to Vancouver's Downtown East Side, what these celebrities find moves and humbles them in ways they will never forget.

4REAL inspires viewers through the leaders' stories, through their courage, creativity and dedication to tackling issues such as poverty, environment, health, children's and indigenous rights, drugs and violence in their communities and beyond.

### **4REAL's Profit-Sharing Model**

Beyond the exposure that 4REAL provides, these young leaders are partners in the show, with 50 per cent of the show's profits going directly to their initiatives.

### **Creators and Producers**
